Auditor's Report.

Canaan, N. H., Feb. 25, 1895.

The undersigned, Auditors of the said town of Canaan, have examined the accounts of the Treasurer, Selectmen, Overseer of the Poor, Collector, and Highway Agents of said town for the year ending Feb. 15, 1895, and find them correct and properly vouched.

It will be noticed that there is a difference of $39 81 between the Treasurer's report of the amount of money paid Highway Agents, and the amount reported by the Selectmen. This arises from the fact that the Treasurer of this year paid an order drawn by the Selectmen of last year for the amount reported as due Messrs. Dwinels and Hall, Highway Agents, less $5.10. The town report of last year stated that the town owed Messrs. Dwinels and Hall a balance of $44 91, and Mr. Adams owed the town a balance of $5 10. Mr. Adams paid over to Messrs. Dwinels and Hall $5 10, and the treasurer paid the order referred to of $39 81, settling in full the claim of Messrs. Dwinels and Hall for $44 91.

The accounts of the Highway Agents for 1893 have never been presented to the auditors.

The Auditors are of the opinion that the present method of reporting trust funds is incorrect. Such funds if appropriated by the town should be reported as liabilities. The right of the town to so appropriate trust funds, is to say the least, open to question.

Report of Trustees

—OF—

Canaan Town Library.

ORGANIZATION.

Chairman,	S. R. Swett.
Secretary,	H. G. Robie.
Treasurer,	W. G. Fogg.

The trustees of the Canaan Town Library invite attention to the accompanying reports of the Librarian and Treasurer, showing their condition and financial situation. The circulation of the books, (considering the number) and the number of citizens that avail themselves of its privileges, furnish clear and strong proof of the favor with which the Library is regarded. The Library has no income except what is required to be raised by law, which is barely enough to pay the current expenses, and it seems important that a small appropriation be made by the town for the purchase of more books.

Mr. O. H. Perry recently made a gift conditionally of 159 books to the Library, for which we are very grateful, and we should be pleased to acknowledge the receipt of books from any one at any time.

Respectfully submitted,

REMARKS.

The School Board call attention to the statement in the report of the Selectmen in regard to school finances.

The recommendation of the School Board of last year that there be four departments, viz.: High, Grammar, Intermediate, and Primary, has been adopted, and has, in the opinion of the Board, proved beneficial and given us better schools.

On January 11, 1895, the schools, after a term of only six weeks, were closed on account of the prevalence of scarlet fever.
